Debt Recovery

As a community oriented organisation, we recognise that bad debts are detrimental to any small business. We at Ken MacDonald & Co have experience in assisting local businesses and organisations tackling this issue. Let us tailor our services to cater for your needs and the sums involved. We provide a comprehensive service from intimating a claim, to raising and pursuing a court action, to arranging for enforcement of any court order obtained.

For anyone interested in instructing us to pursue their bad debtors please contact our Mr MacPherson.

Similarly, we are conscious that in the present climate of consumerism, easy credit and refinance, any unexpected or unforeseen change in a consumer's health, work or personal life can result in difficulties with their finances. We have built up a strong relationship with our local Citizens Advice Bureau and can assist, advise and, where appropriate, refer clients at an early stage. In the event that court proceedings are instigated we can assist in guiding you through the process, be it advising, defending the action, making a time to pay application, to negotiating a settlement. We feel it is never too early to obtain advice and assistance in this area.

For anyone looking for assistance in this area please contact our Miss MacIver.

For anyone requiring general debt or money management advice we would recommend you contact Western Isles Citizens Advice Bureau.
