Administering an Estate

The loss of a loved one is always distressing. Allow us at Ken MacDonald & Co to ease the burden involved in administering their estate.

With over forty years experience helping the people of the islands we are in an ideal position to help your family through this difficult time. Our executry department headed by our Mr MacDonald remains a central part of our practice. Our aim is to make the whole process as easy and as straightforward as possible.

We can administer both intestate and testate estates. Where a will exists we shall register it and follow the wishes contained therein. Where there is no will we will petition the court to have an executor appointed and thereafter follow the rules of succession.

We shall identify and obtain valuations over every item within the estate, obtain confirmation from the court and thereafter ingather and distribute the estate. Our practice is to liaise with both the executor and beneficiaries who we are happy to meet at any time in order to keep them updated.

For anyone requiring assistance please contact our Mr MacDonald, Mr Bamber or Mr Gilles, who will be more than happy to help.
